

## Ymarfer treigladau *Practising mutations*

### Follow the pattern:

|          |                |            |
|----------|----------------|------------|
| cath     | <b>g</b> ath   | cat        |
| ci       | <b>g</b> i     | dog        |
| tarian   | <b>d</b> arian | shield     |
| teledu   | <b>d</b> eledu | television |
| bwrdd    |                |            |
| cariad   |                |            |
| car      |                |            |
| llyfr    |                |            |
| milgi    |                |            |
| dinas    |                |            |
| cadair   |                |            |
| cymylog  |                |            |
| parot    |                |            |
| mam      |                |            |
| dillad   |                |            |
| tiwtor   |                |            |
| brenin   |                |            |
| peiriant |                |            |
| gwraig   |                |            |

You won't find the mutated form of a word in the dictionary, only the word in its original form.

e.g. **P**eiriant not **B**eiriant.

Practice looking up the meanings of words when doing the exercise above.

### Treigladau meddal *Soft mutation*

|           |   |    |
|-----------|---|----|
| <b>T</b>  | > | D  |
| <b>C</b>  | > | G  |
| <b>P</b>  | > | B  |
